

# Environmental Technologies Panel Meeting

## Norfolk, VA

### June 1-3, 2005

#### MEETING OVERVIEW

This meeting will include a Panel Chair and NSRP update, a presentation on NESHAP Residual Risk, a comprehensive Environmental/Regulatory update by John Wittenborn, the latest information on the Brainstorming Panel Improvement Progress project, and a HSWA presentation by Northrop Grumman Newport News (NGNN) on Wednesday. On Thursday, we will have a half-day EPA Lean-EMS Integration Workshop provided by EPA contractors Ross & Associates, followed by a tour of NGNN. The Panel business meeting will be conducted on Friday morning, and will include results of the panel officers election, a budget review, a steering committee update, discussion of future meeting locations for June and October of 2006, agenda recommendations, and more.

This meeting will include a tour of Northrop Grumman Newport News. **IMPORTANT TOUR INSTRUCTIONS to follow.**
