

Joint Meeting of Shipyards Production Process Technologies, Business Process Technologies, Systems Technology, and Facilities, Tooling and Risk Management Panels Savannah, GA December 6 – 8, 2005

MEETING OVERVIEW

There will be a Joint Meeting of the Shipyards Production Process Technologies, Business Process Technologies, Systems Technology and Facilities, Tooling & Risk Management Panels December 6 - 8, 2005 in Savannah, Georgia. The agenda for this joint meeting includes a detailed presentation on the Global Shipbuilding Industrial Base Benchmarking Study, an NSRP Program Update, a Final Report and Demonstration on the Ship Check Data Capture Project and additional presentations from the various disciplines represented. There will be individual breakout meetings on Tuesday, December 6 for each Panel to update their members on plans for 2006, review Project status, and recap 2005 activity.

AGENDA

An [agenda](#) for the joint meeting is available. Separate agendas for **Systems Technology, Business Process Technologies, and a combined Shipyards Production Process Technologies and Facilities, Tooling & Risk Management agenda** will be available for their respective meetings.

REGISTRATION

This event is free and open to the public. In order to anticipate the group's needs, **REGISTRATION IS STRONGLY REQUESTED. To register, click [here](#).**
