

What's Happening At MACOSH and the Rest of the OSHA World

**NSRP
New Orleans
June 10, 2009**

Jim Thornton

- Two Meetings
 - Kick Off March 24th in D.C
 - Second Meeting May in Anchorage
- Several New Members
- Same Meeting Format
- Still very valued as the industry “focus group”

THINGS MACOSH IS WORKING ON

- SHIPS
 - Rigging being worked now
 - Electrical next
 - Ventilation and Ergo added to wish list
- Subpart C (Surface Prep and Preservation)
- Arc Flash Guidance Document
- “Positive” Webpage – “I’ve been saved”
- Quick Cards (OSHA, Confined Spaces, LOTO, Rigging)
- “Related Employment”
- BLS – where are injuries really occurring?
- Commercial Fishing Guidance

What Else is Happening

- New OSHA Chief Maybe?
- Political Scientists
- It's about Health Care Stupid
- Nothing really happening.....yet, but
(Standards Cranes, Subpart F LOTO, GHS, SHMS, ERGO, VPP, budget, Congress)
- PWA, Budget, VPP, Congress
- Are we/you better off with a more muscular OSHA?
