# Objectives

- Provide public forum to address safety, health and risk avoidance issues and, in doing so, look to reduce work-related injuries/illnesses and their associated costs
- Promote industry-wide networking and technology transfer between NSRP and SCA shipyard members, NAVSEA and DOL.
- Compose an agenda that includes topics from regulatory, legal, medical and claims management perspectives.
- Engage Panel members in open discussion on Safety/Workers' Compensation related topics
- Provide final/status reports on 2 Panel Projects

# 2011 Activity

- Panel meeting in Seattle, WA on June 22-23
- Workers' Compensation Panel Project completed
- Safety Panel Project ongoing. Estimated completion date December 31
- 2012 Panel Project solicitation sent to members on April 15. Whitepapers due to Chair on July 20
- All-Panel meeting in Norfolk, VA on Oct. 4-6
