

# Product Design & Material Technologies Panel Meeting San Diego, California May 9 - 10, 2006

## MEETING OVERVIEW

The Product Design and Materials Technology Panel will meet at the Town & Country Hotel and Conference Center in San Diego on May 9-10, 2006. This panel meeting will also feature a tour of National Steel & Shipbuilding Company (NASSCO). The PDMT technical program presents a mix of innovative ship design concepts and tools, composite material technologies, and an update on the Common Parts Catalog (CPC) implementation. Attendees will also participate in a planning session for a future PDMT-led event focused on ship affordability issues, initiatives, and technologies. Note that the NASSCO tour is restricted to U.S. citizens only, with advanced sign-up required as part of the online registration for the PDMT meeting.
