

# Product Design & Material Technologies Panel Meeting Everett, WA July 20-21, 2005

## MEETING OVERVIEW

This meeting will focus on advanced composite material technologies and their application in the design and construction of ships and high-performance craft. The meeting will begin with a choice of several industrial tours on the afternoon of July 20, and conclude with a full day of technical presentations on July 21. The panel meeting will immediately follow ASNE's High Speed/High Performance Ship & Craft Symposium at the same facility in Everett, Washington.

Tour options, which must be reserved when registering online for the meeting, include: (1) San Juan Composites & Northern Marine Inc.; (2) Delta Marine; (3) Strategic Composites; and (4) Boeing Composite Manufacturing Center.

## AGENDA

An agenda for the meeting is available.

## REGISTRATION

This event is free and open to the public. In order to anticipate the group's needs, **REGISTRATION IS STRONGLY REQUESTED.** To register, click [here](#).

## HOTEL ACCOMMODATIONS
