

**National Shipbuilding Research Program
Technical Panel SP-3 Meeting
Surface Preparation & Coatings
Virginia Beach, VA
June 18-19. 2008**

MEETING OVERVIEW

The National Shipbuilding Research Program (NSRP) Surface Preparation & Coatings Panel will conduct its summer meeting on Wednesday June 18 and Thursday June 19, 2008 in Virginia Beach, VA., immediately following the [National Paint & Coatings 2008 International Marine & Offshore Coatings Conference & Expo](#). The panel meeting agenda will include updates on panel projects, SSRAC proposals, and general panel business. The Steering Committee will have a working lunch on Friday, June 19 to plan future activities.

Everyone is encouraged to attend the NPCA Conference prior to this meeting. Conference Information, including agenda, registration and logistics are available on the site.
