

**National Shipbuilding Research Program  
Surface Preparation & Coatings  
Ship Production Panel  
Freeport/Bath, ME  
October 17-18, 2007**

**MEETING OVERVIEW**

The National Shipbuilding Research Program (NSRP) Surface Preparation and Coatings Panel will conduct its Fall Meeting in Freeport, Maine on October 17-18

Presentations at this meeting will include updates on panel projects, updates on coating research activities, and technical topics related to preservation of ships.

**ACCOMMODATIONS**

This meeting will be held at the **Hampton Inn Freeport**. The room block is set at the government per diem rate of \$82/night through October 3, after which the hotel cannot guarantee rate of availability. Reservations can be made by calling the hotel directly at: (207)865-1400. When making reservations, please ask for "NSRP Panel Meeting" to take advantage of the room block rate. For further hotel information, please visit the hotel website: [Hampton Inn Freeport](#)

**PRESENTATIONS**

Attendees are invited to offer technical presentations for the meeting. Presentations given at this Panel Meeting must be educational and informative, can be on any subject relevant to surface preparation and coating of ships, but must not be promotional. Call or e-mail the Panel Chair with any offers, questions on or suggestions for presentations. There is no endorsement, either direct or implied, by the NSRP or the SP-3 Panel of any products or services discussed during the presentations. Vendors are invited to bring technical literature on products related to the preservation of ships that will be placed on a table at the back of the meeting room for the attendees' information.
