# NSRP Mission

# NSRP Mission

Manage and focus national shipbuilding and ship repair research & development funding on technologies and processes that will:

- Reduce the total ownership cost of ships for the U.S. Navy, other national security customers and the commercial sector
- Develop and leverage best commercial and naval practices to improve the efficiency of the U.S. shipbuilding and ship repair industry

Provide a collaborative framework to improve shipbuilding-related technical and business processes.

# NSRP Collaboration

# Anti-Trust Rules

# Anti-Trust Rules

- Regarding your company's and/or your competitor's **product & services**:
  - Do not discuss current or future prices.
