

# NSRP | National Shipbuilding Research Program

Date:

Panel:

Submitted By:

The Panel submits the attached white papers in response to Panel Project Solicitation RA 21. The projects below were voted on in accordance with established bylaws of the Panel. The outcome of that vote is as follows:

Panel Top Three Submissions			
Rank (1/3, 2/3, 3/3)	Project Title	Cover Page Includes Point of Contact Information? (Yes or No)	NSD email confirms participation by member yard? (Yes or No)

Joint Panel Submission			
Panels Involved	Project Title	Cover Page Includes Point of Contact Information? (Yes or No)	NSD email confirms participation by member yard? (Yes or No)

# NSRP | National Shipbuilding Research Program

## Did the NSRP Member Shipyard Vote?

Shipyard	Yard Voted	Yard Abstained	Yard Did Not Vote
Austal USA			
BAE Systems Ship Repair			
Bath Iron Works			
Conrad Shipyard			
Electric Boat			
Fincantieri Marinette Marine			
Ingalls Shipbuilding			
NASSCO			
Newport News Shipbuilding			
VT Halter			
Vigor			

**\*NOTE: This section is used to indicate whether an NSRP member shipyard participated in the vote. It *does not* represent whether the member shipyard voted for or against a specific project.\***

Include any explanation for why a member yard abstained, if provided.

Indicate which yards plan to implement any technology/processes developed or utilized the results, if the project is successful.
