MEGARUST

MAY 21-23, 2024

MARRIOTT MISSION VALLEY, SAN DIEGO, CA

- Program will start with meetings by specific groups Tuesday morning
- Tuesday afternoon will be a panel and technical sessions. We will conclude with the networking reception featuring local beers.
- Wednesday will be the typical government program presentations, keynote, technical sessions, and working groups. Live Demos will be in the parking lot to close out the day, along with refreshments in the Exhibit Hall
- Thursday will be a keynote and a panel in the morning and technical sessions after lunch, finishing up around 2pm.

Call For Papers

Important Dates

- TBD- Deadline to Submit Abstract
- TBD- Authors Notified of Selection
- TBD- Draft Papers/Presentations Due
- TBD- Final Papers/Presentations Due

• *Abstract Submission*

Submissions of both presentations and technical papers are welcomed. Presentations are sought that will provide participants the latest information and status of corrosion control programs and efforts, implementation of recently approved processes, tools and materials, best practices and lessons learned, and unmet needs looking for near term solutions. The goal is to assist those responsible for corrosion control by providing new, affordable products, processes, and solutions.

MARRIOTT MISSION VALLEY, SAN DIEGO, CA

Submission Information

Submit a one to two-page abstract prior to the deadline of March 15, 2023.

It should be of enough detail to permit evaluation by the Technical Program Committee.

Fully developed presentations (technical paper is optional) will be requested if your proposed abstract is selected.

- **The abstract should include:**
- **Proposed Title**
- **Author(s)' name(s) and organization(s)**
- **Indicate if it will be just a presentation or if there will also be a formal technical paper for possible publication**
- **Problem statement or introduction**
- **Outline of the key points to be made**
- **Conclusions or recommendations**
- **A short bio of the Author(s)**
